RETIREMENT OF BERNARD A. "BUD" BARTON, JR., THE LIBRARY OF CONGRESS CHIEF INFORMATION OFFICER

**HON. ZOE LOFGREN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, August 31, 2021*

Ms. LOFGREN. Madam Speaker, I rise today to congratulate Bernard A. "Bud" Barton, Jr. on his retirement from the Library of Congress and to thank him for nearly three decades of dedicated public service.

Mr. Barton has spent his career at the intersection of knowledge and technology. While serving as the deputy chief information officer for the North Carolina National Guard. Mr. Barton designed the agency's disaster recovery and continuity of operations capabilities, ensuring the Guard lived up to its "Always Ready" motto. As chief information officer for the Defense Technical Information Center, Mr. Barton ensured that the Department of Defense's largest library had the IT infrastructure necessary to fuse science and technology data and reliably deliver the knowledge needed to develop the next generation of technologies to support our Warfighters and help assure national security.

In 2015, Mr. Barton took on what *Fortune* Magazine labeled as possibly the hardest job in tech, serving as the Chief Information Officer for the Library of Congress. Mr. Barton has ably guided the nation's oldest federal cultural institution through a complete technological overhaul. Mr. Barton oversaw the centralization of Library technology activities; fostered the creation of an agency-wide digital strategy; and marshalled efforts to optimize and modernize the Library's IT infrastructure and critical IT business systems. Under his leadership, the Library completed a three-year data center transformation, embracing the best of traditional IT services and the Cloud to ensure a stable, flexible, scalable foundation for the future. He also completely revamped IT security, and successfully addressed more than 100 major technology recommendations identified by Congress and the GAO.

Through it all, Mr. Barton has been a transparent, proactive, and enthusiastic partner to Members of Congress, our staff and our constituents.

The impact of these changes cannot be overstated. As the world's largest library and home of both the Congressional Research Service and the U.S. Copyright Office, the Library of Congress stands as a beacon of knowledge and a source of creativity. Mr. Barton leaves the Library a stronger, more digitally enabled institution that is better prepared than ever to serve the needs of Congress, researchers, and all Americans.

Please join me in wishing Mr. Barton a well-deserved retirement after a lifetime of faithful public service.

2021 BUS TOUR

**HON. JOE WILSON**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, August 31, 2021*

Mr. WILSON of South Carolina. Madam Speaker, I always look forward to the annual bus tour of South Carolina's Second Congressional District. Our bus tour began with a meeting with U of SC Aiken Chancellor Daniel Heimermann at the Savannah River National Laboratory led by Dr. Vahid Majidi and regional academia partners. Then we headed to Woods Farm Market in Aiken, owned by Pamela Johnson Ely, where new jobs have been developed.

The next stop was the Aiken Rotary Club under the leadership of President Mallory Holley and then the Central States Manufacturing facility in Graniteville for a wonderful tour led by General Manager Rick Neely. Our team also stopped by Cavalier's Coffee, a local small business just developed by David Brannon with plans to add jobs in North Augusta. We ended our day at beautiful Aiken State Park hearing from the wonderful folks at South Carolina Parks, Recreation, and Tourism hosted by Paul Mcformack, Joy Raintree, Aaron Chavous, James Studdarb, Samantha Queen, Justin Hancock, Steve Beckham, Mary Ann Keisler, and Mark van der Linden.

Day two began with a townhall hosted by the Irmo Chamber of Commerce, which is capably led by Kerry Powers. I appreciated the chance for open and honest conversations about issues currently facing our country. Then, the team received a tour of the new Piney Woods Elementary School in Chapin under the leadership of Principal Cassy Paschal. We also toured the state-of-the-art UPS Air Hub facility at Columbia Metropolitan Airport in West Columbia with Kim Barbary. She is the Operations Training Manager of an impressive facility with great staff producing over 2,000 jobs. I was grateful to co-author with State Senator Kay Patterson the legislation to incentivize UPS to locate in Lexington County.

Day three started with a tour of the beautiful Riverbanks Zoo and Garden in Columbia, greeted by President and CEO Tommy Stringfellow. Next, we stopped at TerraStride and met with Founder and CEO Lanford Holloway, whose leadership has made TerraStride one of the fastest growing tech companies in South Carolina. Afterwards was a visit to Fort Jackson for a briefing on the Army Combat Fitness Test, led by Brigadier General Patrick R. Michaelis. We ended day three with a visit to Thermal Technologies in Blythewood, where founder Jim Lentz has revolutionized the fruit ripening industry, particularly for bananas.

On the final day of the bus tour, I stopped at the world-class Government Training Institute in Barnwell, led by President Von Bolin. Then, we made our way to Tommy Shealy's restaurant, Shealy's Bar-B-Que, a tradition that I look forward to every year. Our bus tour concluded with a warm welcome from Orangeburg Mayor Pro-Tem Liz Zimmerman Keitt, and a tour of the new Orangeburg VA Clinic and adjacent Orangeburg Recreation Center. It was inspiring to see the great work by Gregg Robinson and his team at Orangeburg County Development Commission to attract new business to South Carolina. The legisla-

tive achievements of Senator TIM SCOTT, with President Donald Trump, has led to building opportunity zones specifically designed to create jobs.

In conclusion, God bless our troops, and we will never forget September the 11th in the Global War on Terrorism.

HONORING DR. BLANCA CAVAZOS AS SUPERINTENDENT OF THE TAFT UNION HIGH SCHOOL DISTRICT

**HON. KEVIN MCCARTHY**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, August 31, 2021*

Mr. MCCARTHY. Madam Speaker, I rise today to honor Dr. Blanca Cavazos after nearly four decades of public service to our community. Blanca is stepping down as the Superintendent of the Taft Union High School District after dedicating 39 years of combined service to the Kern High School District, Kern County Superintendent of Schools, and most recently, the Taft Union High School District.

Blanca's life exemplifies what it means to achieve the American Dream. Born in Mexico to farmworker parents, Blanca's family moved to Arvin, California when she was three years old. After graduating high school, Blanca enrolled in California State University, Bakersfield (CSUB), where she earned her bachelor's degree in Liberal Studies and earned two master's degrees: one in Bilingual Cross-Cultural Education and one in Educational Administration.

In 1997, Blanca served Arvin High School—her alma mater—as the school's first woman and minority principal, beginning her career as a trailblazer in the field of education. She led the school to great success by doubling the number of Advanced Placement courses offered to students, building up the school's We the People civics education program, and providing educational trainings to parents on high school graduation requirements and the college application process. In 2011, she brought her talent to bear to the Task Force Administrator position at the Kern High School District and later as the Chief Instructional Officer for the Kern County Superintendent of Schools. In 2013, she received her doctorate in education from Fresno State University and was appointed to the role of Superintendent of the Taft Union High School District, where she has selflessly served over the past eight years as the district's first woman superintendent.

Throughout her life, Blanca has broken many barriers and gone above and beyond for her students, colleagues, and community. Bakersfield Life Magazine showcased her service in multiple editions, including "Ladies Who Lead Schools" and "Thirteen People to Watch." In addition to her work, Blanca has spent time serving on the Finance Committee, Audit Committee, and State Board of Directors for the Association of California School Administrators. In 2019, she received the Administrator of the Year Award from the Association of California School Administrators and in 2020, she was inducted to the CSUB Alumni Hall of Fame.

Blanca's commitment to our community is undeniable. She has touched the lives of many, watching her students grow into the

next generation of leaders. Although she will be greatly missed, I am confident that her record of service will continue to impact the people of Taft and the rest of Kern County for years to come. On behalf of the people of the 23rd Congressional District of California, I want to thank Blanca for her steadfast service to our community, and I wish her and her family only the best as she embarks on the next chapter in her life.

#### INTRODUCTION OF THE PROTECTING INDEPENDENT CONTRACTORS FROM DISCRIMINATION ACT

### HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, August 31, 2021*

Ms. NORTON. Madam Speaker, today, I introduce the Protecting Independent Contractors from Discrimination Act, which would extend to independent contractors the same federal antidiscrimination protections enjoyed by employees. My bill would extend the following antidiscrimination statutes, which apply to employees, to independent contractors: Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, Title I of the Americans with Disabilities Act, Section 505 of the Rehabilitation Act of 1973, and Title II of the Genetic Information Nondiscrimination Act of 2008.

In a Bureau of Labor Statistics 2005 analysis of the American workforce, approximately seven percent of workers were considered independent contractors. That number has surely only grown in the 16 years since that analysis with the growth of the so-called gig economy. A more recent poll estimates the number at 14 percent. Independent contractors, who often do the same work as employees, have almost none of the same protections, including health insurance, collective bargaining, retirement security, and even antidiscrimination. My bill focuses only on discrimination, such as discrimination based on race, age, and gender, from which every worker is entitled to be free.

I strongly urge my colleagues to support this legislation.

Keith grew up as the fourth generation on the Hamilton Ranch. His family's long-standing roots in the agricultural industry gave him a vast knowledge of our state's unique ranching traditions. Keith used this information to benefit his community by working to conserve natural resources important to our western lifestyle. Over the course of his career, Keith has been recognized as a strong voice for the agriculture industry and quickly became a role model for aspiring young ranchers.

In 1975, Keith joined the Wyoming Farm Bureau and began taking on leadership positions. In 1981, he became the Big Horn County Farm Bureau Vice President. In 1988, Keith joined the Wyoming Farm Bureau Federation Board of Directors and represented Big Horn, Fremont, Hot Springs, Park, and Washakie counties as the Northwest District Director until 2010. He also serves on the American Farm Bureau's Public Lands working committee.

Keith has been very active in serving on other boards including the Wyoming State Grazing Board, Wyoming Wool Growers, Wyoming Stockgrowers, wildlife working groups, and his local school board. Through his service, Keith has shown his genuine passion and dedication to giving back to his community and the agriculture industry.

Keith works from sunup to sundown with a smile on his face, a quick wit, and a joy that emanates from within. Through his commitment to his community, neighbors, and friends, Keith has become a great example of the type of rancher Wyoming needs.

I thank Keith for his tireless efforts to promote agriculture and for his service to our state. Congratulations to him on his well-deserved induction into the Hall of Fame.

#### RECOGNIZING THE SERVICE OF CHIEF JEFF S. HELMS

### HON. RALPH NORMAN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, August 31, 2021*

Mr. NORMAN. Madam Speaker, I rise today to recognize the outstanding service of Jeff S. Helms, a beloved community leader and Police Chief of the Fort Mill Police Department.

Chief Helms has dedicated nearly four decades of his life to protecting our community. In 1983, upon the incorporation of the city of Tega Cay, Chief Helms was one of the first patrolmen hired to serve the city. He went on to serve the York County Sheriff's Department, primarily working as a detective dealing with armed robberies and homicides.

In 1994, Chief Helms was hired as the Police Chief of the Town of Fort Mill. Hired at the early age of 31, Chief Helms was the youngest and longest serving Police Chief in Fort Mill History. When he was first hired, Fort Mill's population was around 3,500 and the department only had 11 officers, 5 patrol cars, and one computer. Chief Helms has built a department of highly qualified officers and employees who selflessly serve the town with dedication and pride. During his tenure, the department has grown to 61 officers and 71 total employees who serve a town of approximately 25,000 people. Throughout this time of unprecedented growth, Chief Helms and the officers of the Fort Mill Police Department have helped the town consistently rank in the top 9 safest cities in South Carolina. In the words of incoming Fort Mill Police Chief Bryan Zachary, "Chief Helms leaves large shoes to fill."

Throughout his 27 years of unparalleled leadership at the Fort Mill Police Department, Chief Helms has been recognized with numerous awards and honors. He was voted Police Officer of the Year by Fort Mill Times and was honored with the Local Hero Award by the Fort Mill Optimist Club, among other awards. He is also recognized as a founding member of the York County Multijurisdictional Drug Enforcement Unit. Created in the early years of his tenure as Chief, this was a groundbreaking and highly successful collaboration between departments that has been used as a model for other departments in South Carolina and around the Nation.

The career of Chief Helms is a testament to all the good our men and women in blue do for our communities. He leaves behind a legacy of progress and success. On behalf of the 5th District of South Carolina, I thank Chief Helms for his service and wish him a happy retirement. Fort Mill has been truly blessed to have him as a community guardian for the last 27 years.
